

The Biggest Animal on Land

An elephant is the biggest animal that lives on land. An elephant can be taller than two people when one person is standing on the other's shoulders. An elephant can weigh more than a school bus. That's more than ten thousand pounds!

What is the most important idea? _____

The Clubhouse

Dylan and Wade's dad worked all day. He hauled boards up a tree. He made a floor by setting the boards across two branches. Then he nailed some smaller boards on the tree trunk to make a ladder. Finally, Dylan and Wade climbed the ladder and sat on the boards in their new clubhouse.

What is the most important idea? _____

Name _____
