

Tyler's Big Decision

Tyler's parents are taking a trip next week, and he has to decide if he will stay with Aunt Kate or Uncle Riley.

Tyler likes visiting both houses. They are welcoming and comfortable, and Tyler always gets his own room. Tyler has chores to do at both places, but he can relax with board games, books, music, and movies.

On the other hand, Aunt Kate lives near a lake. Tyler loves swimming or taking out a rowboat or canoe onto the lake. Tyler also fishes off the dock, and then he and Aunt Kate clean and eat the fish for dinner. They make a campfire and cook the fish outdoors.

Uncle Riley lives in the city. The city is an hour-long car ride from the beach. However, Tyler finds excitement in the city streets, parks, and shops. It is a noisy and fascinating place to be. Every weekend he and Uncle Riley go to a concert, museum, fireworks display, or sports event together.
